PRODUCTION OF INDUSTRIAL SPRAYS AND OTHER FILLINGS:

We produce industrial sprays under our own trademark MA-ECO and offer the services for filling aerosols and other smaller packaging units (more about this under: „SERVICES / SERVICES FOR FILLING INDUSTRIAL SPRAYS“). The quality of our sprays, services and other products we market can be confirmed by numerous companies – our customers can be found under the title: “REFERENCES”.

MA-ECO - aerosols (industrial sprays) for the automotive program (car, motor bikes, lorries, ...) and industries (work machines, tools, production plants, ...):

PRO 40 Spray (300 ml)

(Additive, multi-purpose, anti-corrosive, lubricating grease-conservation agent with excellent penetration effect);

LOOSEN Spray (300 ml)

(Anti-corrosive, conservation agent for easier unscrewing of screws and nuts, with a greasing effect);

COCKPIT Spray (500 ml)

(Anti-static, perfumed agent for cleaning and caring for the dashboard and other plastic surfaces in cars);

TIRES Spray (300 ml)

(Agent for protecting, cleaning and caring for tyres and all other plastic elements in your vehicle or home environment);

START Spray (300 ml)

(Agents for easier and faster ignition of petrol or diesel fuel motors of all types of vehicles or machinery);

ANTI-FROST Spray (300 ml)

(Agent for easier defrosting - removal of ice on glass surfaces of vehicles and at home - with a cleaning effect);

FREEZE OFF Spray (20 ml)

(Special agent for fast defrosting of car and other locks –with a special lubricating effect);

BRAKE CLEANER Spray (500 ml)

(Cleaner and de-greaser agent for removing dust and dirt on brake linings, and oil and light industrial stains);

ENGINE Spray (500 ml)

(Special agent for cleaning and de-greasing engines and other greasy machinery elements and tools);

FOAM CLEANER Spray (500 ml)

(Biologically degradable, foam cleaning agent for cleaning glass, textiles, plastic and other surfaces);

SLIDE K Spray (300 ml)

(Agent for belt care –prevents slipping, whistling; slows down ageing, as well as wear and tear of belts);
